

# GLOBAL SUPREME Paint Protection Film

## Designed to make Car SHINE forever

**GLOBAL SUPREME** PPF film is a Specially formulated Paint protection film.

**GLOBAL SUPREME** Paint protection films (PPF) is a clear Polyurethane film that are applied to vehicles to protect them from: • Scratches • Dents • Swirls caused by road debris, rocks, bird droppings • Other environmental elements.

**GLOBAL SUPREME** PPF film are provided with a top class self- healing coating. The low surface energy of topcoat limits water and dirt accumulation on the film surface ultimately providing excellent longevity.

### PRODUCT CONSTRUCTION

Transparent PET Protection film	-	2 mil
Self-healing coating	-	0.5 mil
Aliphatic TPU Film	-	6.0 mil
Acrylic Adhesive PS Adhesive	-	1.5 mil
Release liner	-	2.0 mil

*\*Thickness values are representative of actual production sample*

### Product performance properties:

- Excellent durability.
- Excellent optical clarity & High Gloss.
- Auto Self-healing property from minor scratching.
- Excellent water repellent property.
- Non-yellowing.
- Excellent solvent resistance.
- Repositionable PSA, Easy for installation.

Thermoplastic polyurethane (TPU) used in product construction is an Aliphatic polycaprolactone base film. These films have a high degree of hydrolysis and UV Resistance. The Adhesive used is a crystal clear acrylic pressure sensitive which has a removable, repositionable, non-yellowing property. PPF Installation gel is recommended for enhancing workability on most difficult surfaces.

Roll Size: 1.52 meter x 15 meter / roll (5ft x 50ft / roll )

### Care Instructions:

- You can wash your car as early as 24 hours after film is installed.
- Use waxes that do not contain dyes, abrasive polishes and/or rubbing compounds.
- Remove any wax build-up along film edges with a lint-free cloth.
- We recommend to use good quality Car Care Products for maintaining your film and vehicle finish.
- Contact your applicator to use good quality Car Wash Soap, Waxes, Polishes and High Performance Detailing Cloths.
- Recommended to use sealant gel after every car wash.
